Dear Parent/Carer

The Consultation, with regard to Ravensmead converting to a Multi Academy Trust with 3 other local schools, has now closed and the Governing Board have met to consider all the responses.

Firstly, can I thank you for taking the trouble to respond and especially those who recorded a number of questions/clarifications/concerns. I can tell you that all of these were considered closely. The Governing Board, however, have decided that at this time they will not be applying for a place within this Multi Academy Trust. Parents, carers, governors and staff were all fully consulted and from the responses governors decided unanimously that this course would not be taken at this time. The Governing Board, however, would like to make it clear that they are grateful for all responses and that they will continue to consider all possible forms of organisation in the future.

Kind regards.
