7th October 2016

Dear Parents/Guardians,

As part of our Ancient Greece topic this term, Y3/4 will be having a second workshop where we will be having visitors in school to complete an art project with the children. The second workshop has been arranged following the unfortunate cancellation of the planned visit to the Potteries Museum. This workshop has been arranged for **Thursday 3rd November** and will further support the teaching and learning of this topic.

During the day the children will create 2 of their own pots out of clay. They will be using 2 different techniques making their own coil pots in the style of Ancient Greek artefacts and also their own slab pots. The children will then have their pots fired and will design and decorate them in line with our topic.

The visit has been subsidised with money to be raised from school events such as the Spellathon which will take place this term, therefore the overall cost is **£5** per child. This is a voluntary contribution, however if we do not collect enough money then unfortunately the topic day cannot go ahead.

This visit is a great opportunity and will engage the children further into our topic.

Please complete the attached permission form and return to your child's class teacher by 21st October with contributions.

Yours sincerely

Mrs Bond Mrs Lockett Miss Horne
Year 3/4 Class Teachers
