

Stage 2, Children's I can... statements.

Stage 2 (Year 2)	
<u>Number and place value</u>	
I can count in steps of 2s and 5s from.	
I can count in steps 3s from 0.	
I can count on in tens from any number.	
I can count back in tens from any number.	
I can recognise the place value of each digit in a two-digit number (tens, ones)	
I can identify, represent and estimate numbers using different representations.	
I can compare and order numbers from 0 up to 100; use < > and = signs.	
I can read and write numbers to at least 100 in numerals.	
I can read and write numbers to at least 100 in words.	
I can use place value and number facts to solve problems.	
<u>Addition and Subtraction</u>	
I can solve number problems and practical problems involving place value.	
I can solve word problems with addition using objects and pictures.	
I can solve subtraction problems using objects and pictures.	
I can solve word problems involving quantities and measures.	
I can quickly add and subtract to 20.	
I know my facts up to 100	
I can add units to a two-digit number.	
I can add tens to a two digit number	
I can add 2 two-digit numbers.	
I can add 3 one-digit numbers.	
I know that 2 numbers can be added in any order.	
I know that I can only subtract a small number from a larger number.	
I can use inverse operations in addition and subtraction.	
<u>Multiplication and Division.</u>	
I can multiply in: 2s 5s 10s	

Stage 2, Children's I can... statements.

I can use division facts for my: 2s 5s 10s	
I can recognise odd and even numbers	
I can use \times for multiplying and = when recording	
I can use \div for division and = when recording.	
I know that the numbers can be any way round when multiplying but not when dividing.	
I can solve problems involving multiplication.	
I can solve problems involving division.	
Fractions: I can recognise and record fractions: $\frac{1}{4}$ 2/4 $\frac{3}{4}$ 1/3	
I can find fractions of amounts.	
I can recognise simple equivalent fractions.	
<u>Measurement</u>	
I can measure and order length and height in cm and m	
I can measure and order mass (kg/g)	
I can measure and order temperature °C.	
I can measure and order capacity/ volume (l/ml).	
I can use £ and p	
I can total amounts.	
I can use a variety of coins to make amounts.	
I can solve problems using money and find change.	
I can compare and sequence intervals of time.	
I can tell the time to quarter past and quarter to.	
I can tell the time to 5 minutes.	
<u>Geometry</u>	
I can describe and name 2D shapes.	
I can use a vertical line to find symmetry.	
I can describe and name 3D shapes.	
I can compare and sort 2D and 3D shapes with everyday objects.	

Stage 2, Children's I can... statements.

<u>Position and direction</u>	
I can order and arrange combinations of mathematical objects in patterns.	
I recognise a quarter turn as a right angle	
I recognise half and three quarter turns.	
I can correctly move clockwise and anticlockwise.	
<u>Statistics</u>	
I can answer questions about and make: Pictograms Telly charts Block diagrams Simple tables.	
I can ask and answer questions about totally and comparing categorical data.
