What we have been learning this week.

- To listen carefully to the story of Remembrance Day and why we wear Poppies - This was a very light touch and kept age appropriate at all times.
- We introduced our new 'space' topic. Ask your child what they have learnt so far.
- How to send and receive a ball in our PE lesson.
- How to use scissors correctly.
- Mark making using different media.
- Learning more about 2D shapes.
- And so, so much more fun indoors AND outdoors!!

Thank you for bring in space and 'p' items. These really do enhance the children's learning and have become a fantastic speaking and listening opportunity.

Things to do at home.

- Can you bring in an item that begins with 'M'. Please name this item at home. Can you also please bring in a bulb if possible for your child to plant in the Nursery garden.
- This week will be the first time we will be sending the home learning books home. Inside you will find a star colouring sheet. Rather than just focussing on staying inside the stars, please could you encourage your child to continue practicing holding the pencil crayon correctly with the correct grasp. Please return home learning books from Monday onwards.
- Next week in Nursery we will be making junk space models. If you have any spare boxes, toilet rolls etc please could you send them into Nursery. We are also running low on large newspapers, so if you have any old papers we would love to take them off your hands.
- Reminder that next week is our first Parents Evening. Appointments will take place in the Nursery.
-
- Thank you so much continuing to send in your weekly £1 donations, we will update you shortly as to how the money has enhanced your child's Nursery experiences.
- Your child will have brought home a Christmas Workshop letter home today. We would love to have every child with an adult as it really is such a special session. Please check the time and date and return the slip as soon as possible please.
