

Ravensmead Primary School

Topic (Next week) Christmas

Ravensmead Nursery weekly information/homework

08.12.17

Maths - To use positional language e.g under, over, next to.

Literacy - To hear and say the initial sound 's'.

What we have been learning this week.

- To mark make, and write the sound 'j'
- Making mince pies
- Mark making in the sand
- Printing with paint and potatoes
- Acting out in our Nativity role play area

Thank you so much for taking part in our Christmas workshops with the children this week, they have thoroughly enjoyed the experience and we hope you did too.

Things to do at home

- Can you please bring in an item that begins with 's' and name this item at home.
- On Wednesday the children and Nursery staff will be visiting the chapel to sing the Christmas songs they have been learning.
- As part of our Christmas celebrations we will be having a Christmas party for the children on Thursday 14th and Monday 18th December.
If your child is in school on one of these days please send in a small amount of snack party food (only for your child) i.e. fruit, biscuit, sausage roll.
The children that attend nursery for the full day will still need to bring their packed lunch as normal as well on these days. Please send your child in their party clothes on their party day.

Please can all children bring a named warm hat to Nursery every day please.

Thank you for your continued support.
