Topic (Next week)
Astronauts/ Rockets

Ravensmead Nursery weekly information/homework

17.11.17

Maths - To recognise numbers 1-5.

Literacy - To hear and say the initial sound R/r.

What we have been learning this week.

- How to retell a story using props for `Whatever Next` which was our story focus this week.
- To match the quantity of moon rocks to a given number.
- Using their imaginations to make models using boxes, bottles, tubes etc.
- Assembling different materials using a glue spreader.

Thank you for bringing in different items beginning with 'M' this week, these have again provided excellent speaking opportunities in the classroom.

Things to do at home

- Can you please bring in an item that begins with 'R' and name this item at home.
- Thank you for attending parents evening this week, if you have not yet attended please make an appointment with the nursery staff.
- Please return your slips for our exciting Christmas workshops as soon as possible.
- We will be releasing the passwords for your child's online Learning Book in December, please return your completed return slip with your email address.
