Aliens Love  
Underpants

## Ravensmead Nursery weekly information/homework

24.11.17

Maths - To name different 2D shapes.

Literacy - To hear and say the initial sound A/a.

### What we have been learning this week.

- To mark make, and write the sound 'r'.
- To sort different sounds.
- Using their imaginations to make rockets using the playdough.
- Following instructions to paint rockets in the nursery garden.
- Recognising different numbers and matching the correct amount of objects.

Thank you for bringing in different items beginning with 'R' this week, the children enjoyed sharing these with their friends.

### Things to do at home

- Can you please bring in an item that begins with 'A' and name this item at home.
- Please return your slips for our exciting Christmas workshops as soon as possible if you have not already done so.
- Next week we will be looking at different shapes, please encourage your child to talk about different shaped objects they see at home. Are they round, tall etc?
