

# Ravensmead Primary School

Topic (Next week) Winter - keeping warm

## Ravensmead Nursery weekly information/homework

05.01.18

**Maths - Compares two groups of objects, saying when they have the same number.**

**Literacy - To hear and say the initial sound 'w'.  
Shows understanding of prepositions such as 'under', 'on top'.**

### What we have been learning this week.

- We would like to wish you all a very Happy New year; it has been lovely listening to the children sharing Christmas experiences with their friends during circle time this week.
- The children have been practising writing their own name as well as drawing a picture of a person this week.
- We would like to take this opportunity to welcome back Miss Nicklin to Ravensmead after her maternity leave.

### Things to do at home

- Can you please bring in an item that begins with 'w' and name this item at home.
- Please discuss with your child how they keep warm in the winter months as they will be learning more about this next week.
- Thank you for your continued donations that are used to buy resources to enhance the children's learning. Your donations have enabled us to make our Christmas workshop such a memorable experience for us all.
- Please ensure your child has a named hat with them at Nursery please as we always go outside regardless of the weather.

Have a lovely weekend,  
Kind regards Nursery .Team
