

# Ravensmead Primary School

Topic (Next week) Ice

## Ravensmead Nursery weekly information/homework

19.01.18

**Maths - Shows an interest in shape and space by playing with shapes or making arrangements with objects.**

**Literacy - To hear and say the initial sound 'i'.  
Looking at fiction and non-fiction books independently.**

### What we have been learning this week.

- The children have thoroughly enjoyed our music lessons this week, he have learnt some new action songs as well as using the egg shakers.
- Nursery have enjoyed thinking about snow and snowmen this week and have completed lots of different topic related creative tasks including using cotton buds to make snowflakes with their own design.

### Things to do at home

- Can you please bring in an item that begins with 'i' and name this item at home.
- We would be very grateful if you could send in any clear plastic lids for a craft activity we will be doing in Nursery.

For example:

- In your child's home learning book, there is a winter themed activity aimed to help children progress with their pencil control and number skills. Your child's home learning book should be handed out in their next nursery session. Thank you for your continued support at home.

We hope you have a wonderful weekend.  
Kind regards the Nursery team
