

# Ravensmead Primary School

## Ravensmead Nursery weekly information/homework 2.2.18

Topic  
  
Winter Olympics

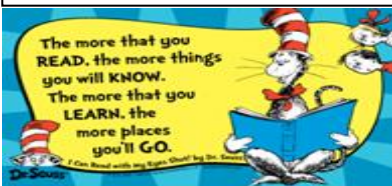

Maths  
  
Number and Shape Workshop

Sound and formation

### What we have been learning this week.

- To say and write the sound t.
- To paint a foil picture on the painting easel.
- To play in the class igloo.
- Looking at winter story books.
- Continuing to improve our scissor skills.
- Going for Arctic rides with husky dogs as well as sledging down the hill outside.
- Pretending to be Inuit fishermen outside.
- And lots more!

We have had a lovely week in Nursery. As you hopefully have heard we have been learning all about The Arctic. The children have fully embraced this topic and have really blown our socks off with all they have learnt and remembered.

Please continue to write in your child's diary EVERY NIGHT. WE REALLY WANT TO WIN A BOOK FOR NURSERY! Hopefully your child might win also if they have 4 or more entries in their diary.

**Remember Monday and Thursday are our Nursery Workshops. We would love to have EVERY CHILD with one adult. This workshop will be very informal and is an amazing opportunity to spend time with YOUR child at Nursery on the day you have been invited.**

### Things to do at home.

- Can you bring in an item that begins with 'I'.
- For homework this week can your child use a pair of scissors at home to complete the Arctic cutting activity. If you need to borrow a pair of Nursery scissors please speak to a member of staff. Please help your child to hold their scissors correctly.
